

Are You Living with Parkinson's?

Amplify your life with LSVT LOUD and LSVT BIG!

- **LSVT**[®] stands for Lee Silverman Voice Treatment.
- **LSVT LOUD**[®] is our speech therapy program.
- **LSVT BIG**[®] is our physical or occupational therapy program.
- **LSVT LOUD** and **LSVT BIG** are globally recognized as evidence-based therapies to improve communication, mobility, activities of daily living, and quality of life in people with Parkinson's disease (PD).

What is Unique About LSVT Therapies?

Research-based

Have confidence that the LSVT therapies work with over 30 years of published research!

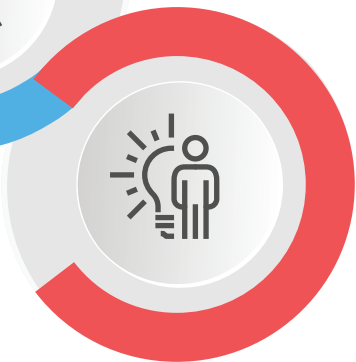

Parkinson's-specific

Override small, slow movements and soft, mumbled speech with BIG and LOUD exercises.

Function-focused

Go beyond general exercise - LSVT LOUD and LSVT BIG integrate "real-world" activities for communication, mobility, and everyday tasks.

Personalized

Individualized treatment goals: Get up from that low sofa, button your shirt in record time, or be understood on the phone and in meetings. You are in charge!

How to Find LSVT Certified Clinicians

There are over 50,000 LSVT Certified speech, physical and occupational therapists in 80 countries. Find one near you!
